

**Palomar Conference
Player Placement Waiver**

Only for those individuals above five pounds overweight or underweight for a desired division:

_____ agrees to be within **3 pounds of maximum weight for desired division by July 30 of the current season.** If desired weight is not attained, the player forgoes all priority/tracking benefits. The player will not be able to bump another player out of a team preliminary roster after this time. This includes siblings that may participate in the same division as players and cheerleaders. Please have Parent, Participant, and Player Agent sign below.

Player Division Placement Waiver:

Associations shall attempt to assign **ALL** first time players to the **LOWEST age/weight DIVISION** for which they **QUALIFY**. If parent insists player be placed in the higher division then signature of Parent, Participant and Player Agent are required. Failure to sign Waiver will result in player being placed in the proper division.
